BUY A SHARE OF THE FUTURE IN YOUR COMMUNITY

A 1,200 square foot Habitat home costs \$100,000 to build, which breaks down to \$83.33 per square foot. Therefore, the cost of one SHARE or one square foot is \$83.33.

Consider purchasing a SHARE or one square foot in a Habitat for Humanity home today! These SHARE certificates make great holiday, graduation and birthday gifts and cost just \$83.33 each. Broken down over a full year, that's just \$0.23 cents a day! These personalized certificates are suitable for framing and will state the number of SHARES purchased, as well as the recipient or purchaser's name. The homes you help build will last for many years and will continue to grow in value.
